DIPLOMATS TO TRADE PLACES. Odd Exchange in the State Department.

Washington, July 19.—A rare event in State Department history was recorded today in the voluntary exchange of places between a United States Minister and a Consul. A cablegram was received by Acting Secretary Hill from United States Consul Soraby at Kingston, Jamaica, stating that he had just taken the oath of office as United States Minister to Bolivia and would sail for Washington to receive his instructions on July 27.

The turned the Consulate over to Vice and Denuty Consul Twills. Mr. Sorsby relieves United States Minister Bridgeman of his office at La Paz by mutual arrangement. Mr. Bridgeman has not been able to take up his residence in that distant and almost inacce-sible capital owing to the state of his wife's health and by advice of his physician he has exchanged into a lower altitude. COKE

FOR EASY SHAVING Read what EX-GOVERNOR OF WIS, GEO. W. PECK says:

Milwenkee, June 30, 1902. I have been using your "Cream Foam" for shaving. It is the best stuff I ever used. Previous ly I have used a French paste, weich is far better than soap, but nothing like yours. I think I shall always use "Cream Foam," and I shave every morning.

Yours truly. This new Shaving Cream is thoroughly antiseptic. Leaves the face soft and smooth and imparts a feeling of freshness to the skin. It requires no

rubbing in, therefore saves much time. It softens the hardest beard and will remain soft and moist for fifteen minutes.

THERE IS NO DANGER OF CONTAGION. Leading barbers, after testing it, have adopted Coke Cream Foam exclu-

sively and are delighted with the result. It Saves Time for the Barber and the Patron. Coke Antiseptic Cream Foam is put up in one-pound jars for barbers' use; in 25-cent collapsible tubes for private use. At druggists and barbers generally. Send 10c for large sample or 25c for full size tube.
